FIRST RUTHENIAN

Pastor, the Rev. Waldimir Pyndykowski, to Be Assisted by Presbyterian Divines.

Peter and St. Paul, located at 49-51 Beacon street, will be dedicated tomorrow afternoon at 3 o'clock.

An elaborate program has been ar ranged, and the following persons will assist the pastor, the Rev. Waldimir Pyndykowski, in the dedication service, namely, the Rev. Basil Kusiw, pastor of the First Ruthenian Presbyterian Church, New York; the Rev. John Bodrug, superintendent of the Rutherian Church in Canada; Michael Baron, trustee of the local church; James P. Dusenberry, member of the church extension committee; the Rev. Dr. Davis W. Lusk, Presbyterian superintendent of the Presbytery of Newark; the Rev. Dr. W. Y. Chap man, chairman of the church extension committee.

FIVE YEARS' PASTORATE.

The Rev. Dr. Thomas J. Villers, pastor of the Peddie Memorial Baptist Church, in Broad street, this city, who has just closed a five years' pastcrate, having accepted the call to this city as the successor of the Rev. Dr. Dodd in 1906, has made a somewhat phenomenal record at the local church. While the reports for the five years' term show that 437 new members, or an average of ninety per year, were received into the church, despite the fact that his church is located down town and within the business zone, is most encouraging. His success, nevertheless, lies in his seasons of the year. On every fifty-two seasons of the year. On every fifty-two sabbaths 'during the term Dr. Villers 'gets there with the spiritual goods,' to use a slang phrase, and he "drives home," with the aid of the best side attraction, good music, the biblical and structure attraction, good music, the biblical and secular truths with an illustrated force ability to attract a "full house" at all that brings results in its wake. There are no theatrical effects used by Dr Villers to popularize his services, and he taboos the discussion of politics, sociology and other secular subjects in the pulpit.

As he has said, "The Baptist church a decided success and was largely attended. The principal address was that impart any theatrical effects, or in
